

RESEARCH • RIDING FOR FOCUS • FUND

OUTRIDE ANNOUNCES 44 NEW MIDDLE SCHOOL GRANT RECIPIENTS of the 2020-2021 Riding for Focus School Program!

Outride is a public nonprofit dedicated to improving the lives of youth through cycling. Through our Primary Research, Riding for Focus cycling program, and Outride Fund grant giving activities, we provide evidence-based cycling interventions to improve social, emotional, and cognitive health.

Our Riding for Focus school-based cycling program uses cycling as a tool for students to achieve academic, health, and social success. Over the past 5 years, Outride has provided 185 middle schools across the US and Canada with everything they need to get their 6-8th grade students riding including bikes, helmets, starter maintenance equipment, cycling curriculum, and teacher training. That's over 40,000 students' lives positively affected! Furthermore, Outride is committed to being where the need is the greatest. In the 2019-2020 school year, 53% of our Riding for Focus students received free or reduced school lunches and 38% identify as non-white.

In addition to the Riding for Focus programs issued to date, Outride has awarded 43 Outride Fund matching grants supporting local cycling communities through education, trail building, and rider development. Between the Riding for Focus program and the Outride Fund, Outride is committing \$1.4 million to youth cycling initiatives in 2020.

Congratulations to all the Riding for Focus program Awardees!

Spring 2020 Riding for Focus Program Awardees

Abington Heights Middle School, Clarks Summit, Pennsylvania
